

MAKING THE MOST OF GREEN AND GOLD

Building Open Access Content in UQ eSpace

Multiple OA Strategies

Targeted Impact

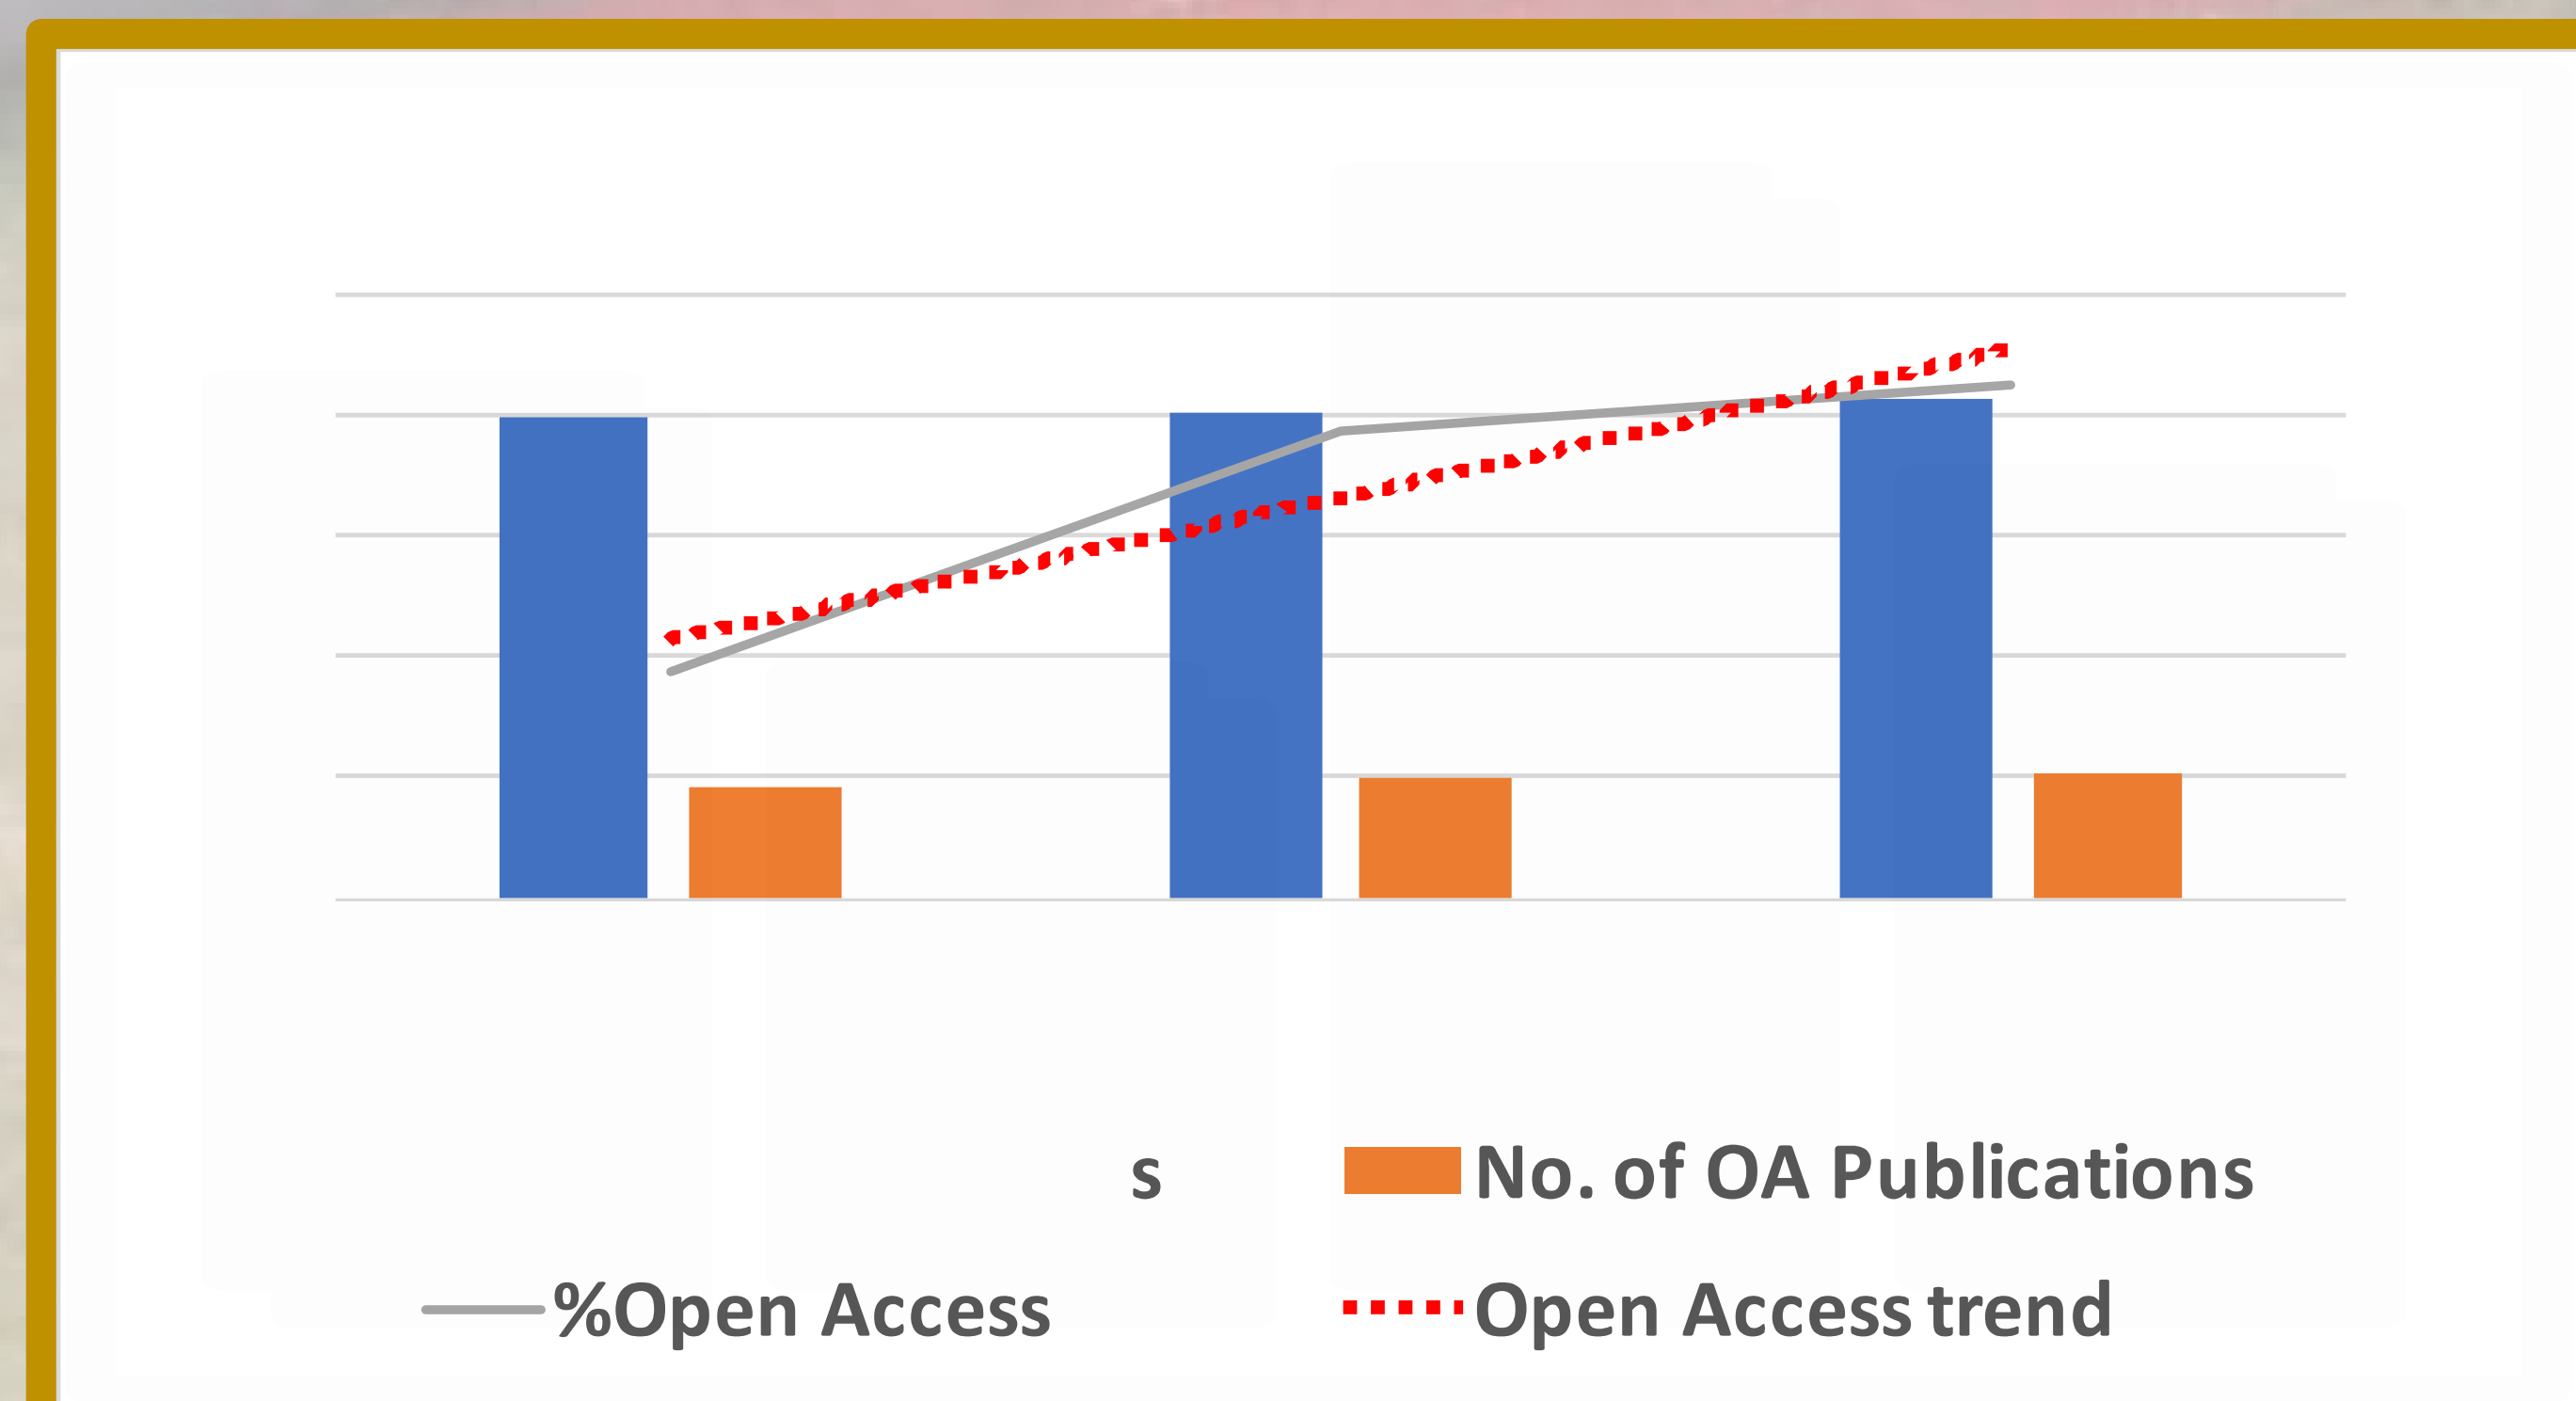

Content & Trends

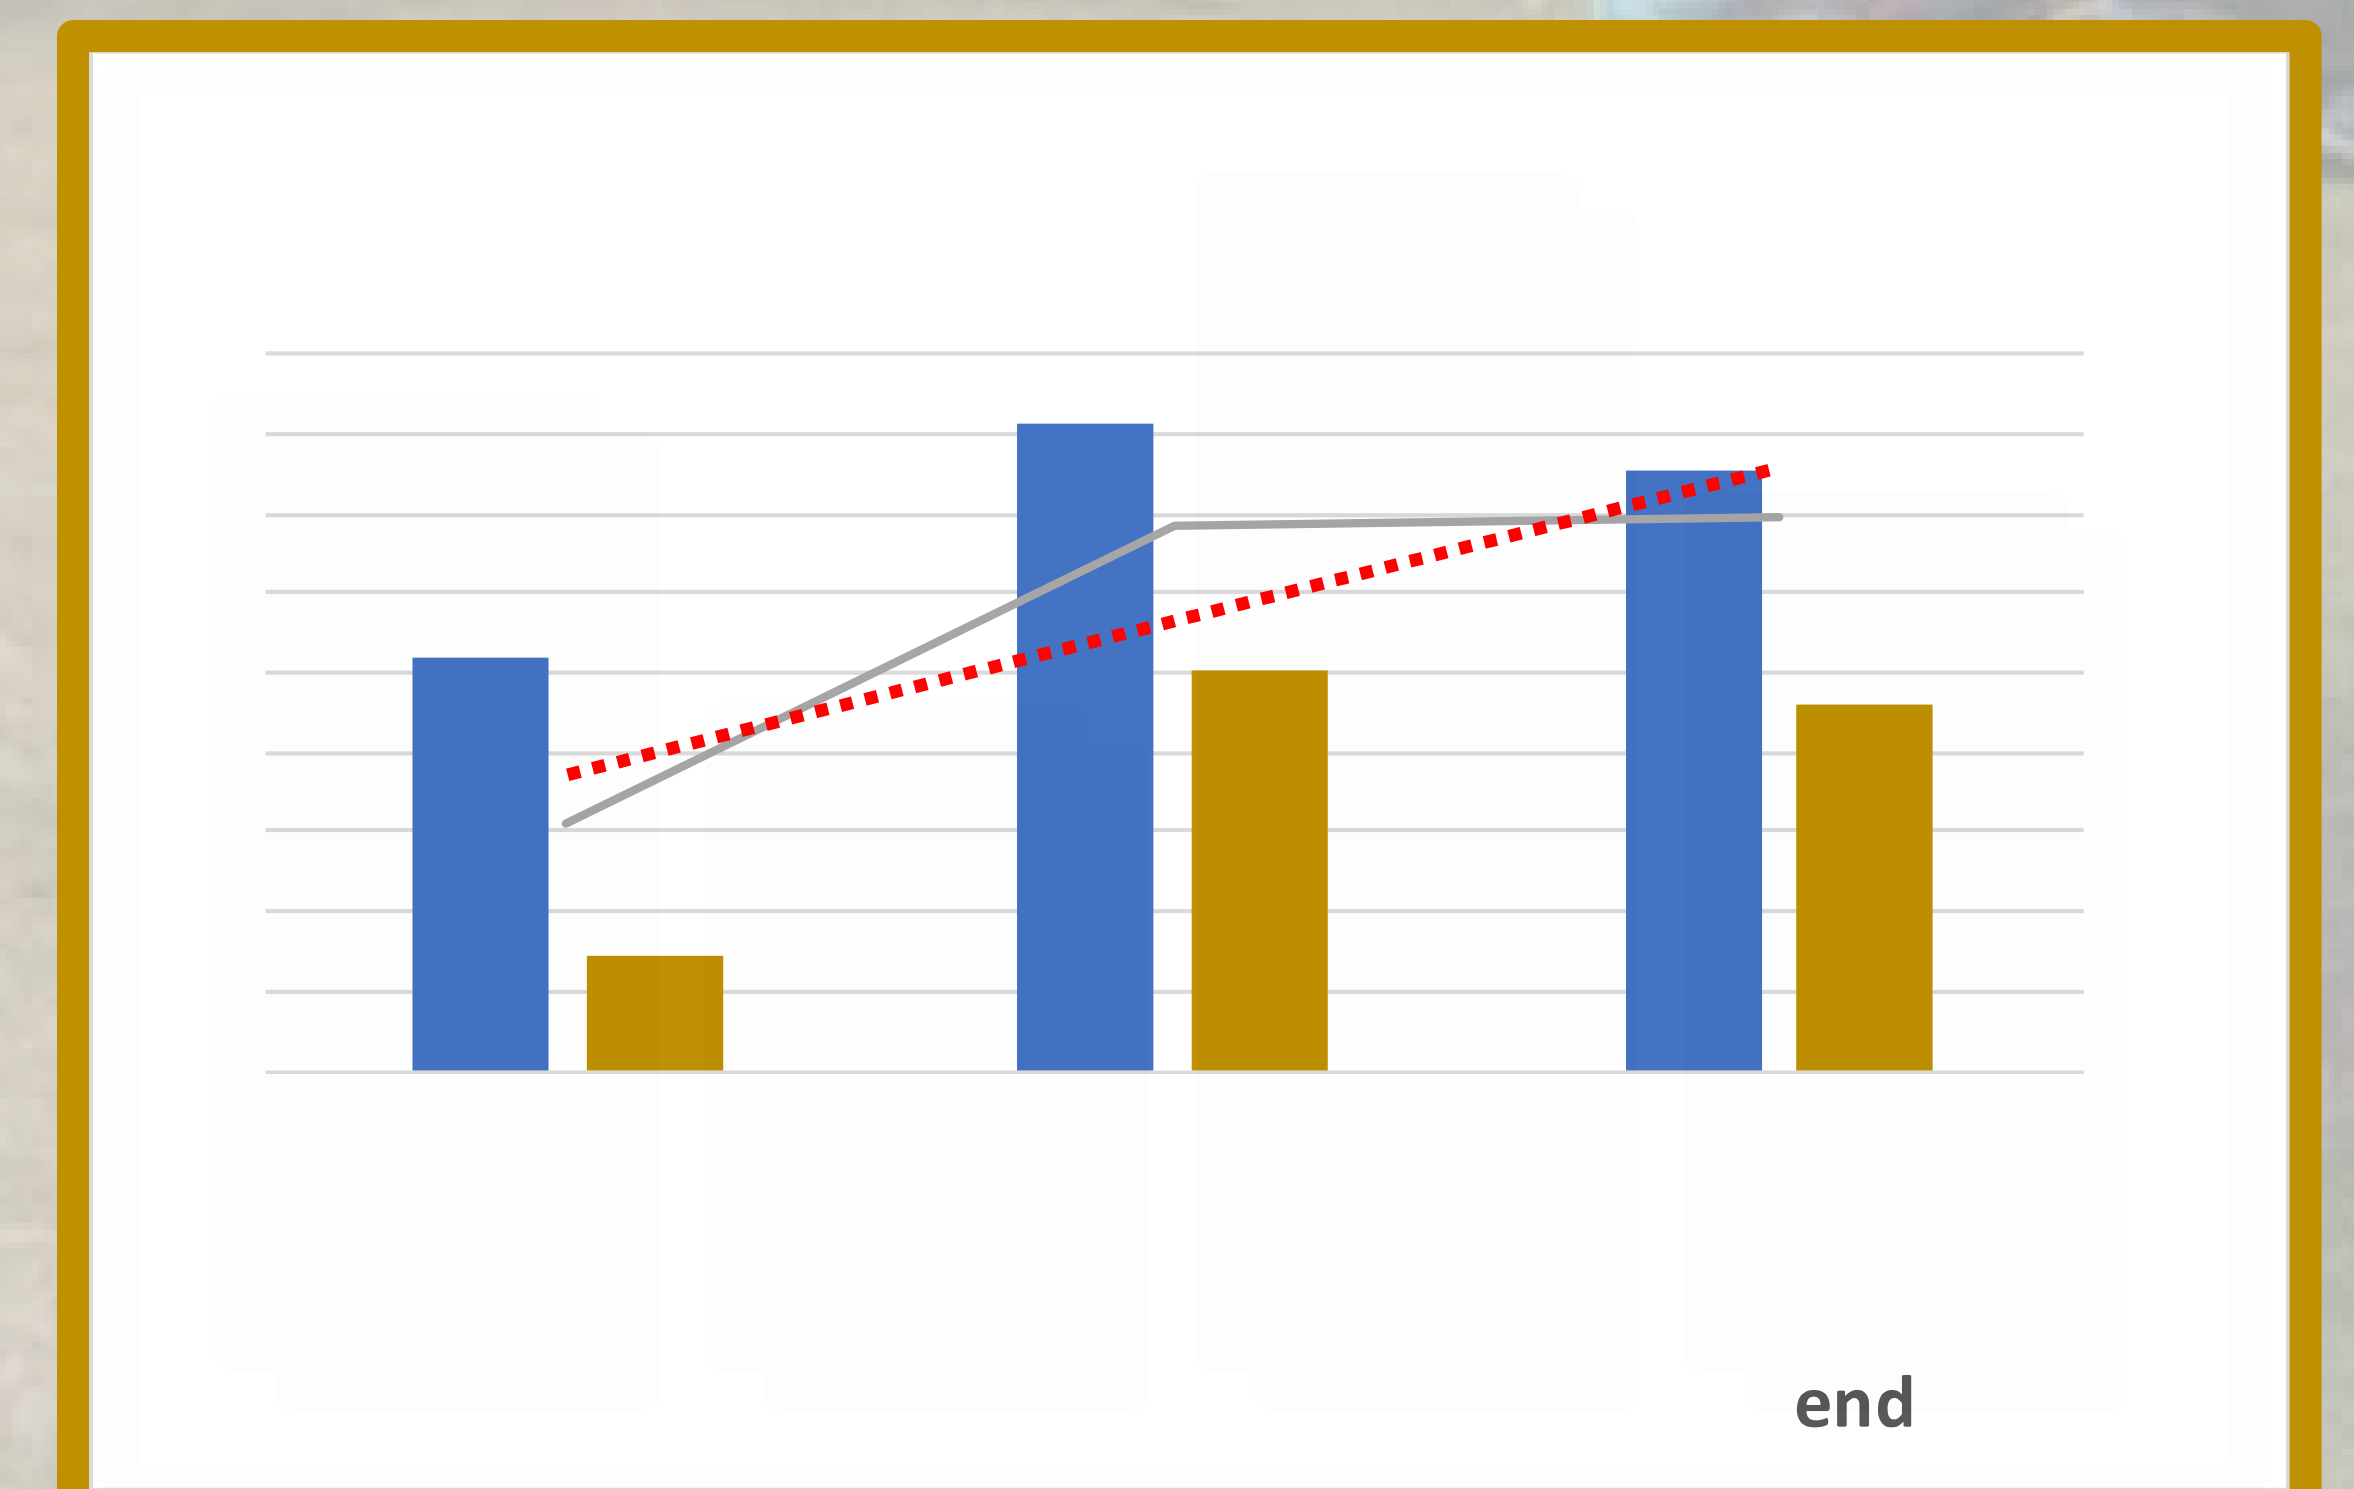

What's in UQ eSpace?

282211 Metadata items
42150 OA items
15% of total content
25% annual research publications
60+% annual HDR theses 2015 ->

Research Publications

Higher Degree Research Theses

Policy drivers

- UQ Open Access for UQ Research Publications Policy: Effective January 2014 – OA version in UQ eSpace as soon as possible after acceptance
<https://ppl.app.uq.edu.au/content/4.20.08-open-access-uq-research-publications>
- UQ Research Higher Degree Thesis Examination Policy: Updated October 2014 – Students can select an open access option
<http://ppl.app.uq.edu.au/content/4.60.08-research-higher-degree-thesis-examination>
- National and international open access policies – all publicly funded research should be open access
- Funder open access requirements – increased links between research funding and open access
