Newsletter  
February 1988  
No. 21

\*\*\*\*\*

ADVERTISING NOW ACCEPTED

For the first time, this newsletter is not being sponsored by the employing institution of the editor. Therefore, as a way of partly offsetting printing and postage costs, the Medical Libraries Section is accepting commercial advertisements from interested parties.

Advertising rates are:

- Full page \$60
- Half page \$30
- Quarter page \$15

Please contact: Ms. Jennifer Bergin, Royal Children's Hospital, 345 5107

VICGRATIS

Those members who expressed interest in joining a GRATIS scheme for free I.L.L.s between Victorian health science libraries, please keep your enthusiasm "on the boil". VICGRATIS is coming!

The first meeting of the VICGRATIS sub-committee has been held, and you can expect to hear more from us over the next few months as we work to getting this scheme "off the ground". Application for membership forms, as well as details of the scheme, how it works, responsibilities of members, etc., will be distributed to those libraries which responded to the August 1987 newsletter item. Prospective members are reminded that a NUCOS location symbol is necessary.

If you are interested in joining VICGRATIS, please feel encouraged to phone Judy Stoelwinder on 450 5393 for more information.

HELP!!!

Kathy Hutton (VRCH) is looking for a volunteer to share the position of Victorian Allied Health Professionals Association union representative. Elisabeth Giddy (VWH) ably shared the position in 1987, but has an increasing study workload associated with her degree course this year, and is unable to continue in the position. Basically what is involved in the position is sharing attendance at the Union's Industrial subcommittee and informing the union and hospital librarians about issues related to librarians' pay and conditions of employment. The Industrial Subcommittee meets on a Wednesday at 6p.m. once every six weeks for approximately one hour. Unfortunately Kathy's lecture night for her postgraduate course has been changed from Tuesday to Wednesday until July. Without a volunteer to share the position with Kathy, librarians will not be represented during the first half of 1988 at meetings where the strategy for our present claim will be discussed. If you could spare one hour every six weeks, please contact Kathy at work (ph. 345 5109) or home (529 5324).

\*\*\*\*\*

LAA POLICY STATEMENTS

The LAA Policy Statements are currently under review. Anyone interested in submitting their comments, please contact Jocelyn Dixon, 411 0261 Ext.563, for a copy.

\*\*\*\*\*

STATISTICS

A friendly reminder to those that have not already done so to please return their statistics forms for the financial year ending June 1987 to the Correspondence Secretary as soon as possible.

\*\*\*\*\*

FOR SALE

The Austin Hospital Library has for disposal two 12-drawer wooden catalogue cabinets. The cabinets are honey coloured, free standing and on black metal stands. Asking price is a mere \$100.00 per cabinet. Enquiries to Anne McLean, Librarian. (Phone 450 5636)

\*\*\*\*\*

TEMPORARY RELIEF

Pat Nakouz (ph. 555 3550) and Nicki Shandler (ph. 850 5202) are both available for relieving positions.

SUBSCRIPTIONS RECEIVED AIRMAIL OR SAL

Thanks to everyone who provided a list of journals currently received by SAL or airmail. The response was good so we now have quite a worthwhile list. Needless to say the list will need updating at regular intervals, so any changes or additions should be forwarded to Anne McLean, Austin Hospital Clinical School Library, Studley Road, Heidelberg, Vic. 3084.
